1. CURTIN RESEARCH FELLOWSHIPS – CALL FOR APPLICATIONS

The new round of Curtin Research Fellowships is now open!

Curtin University of Technology will offer up to thirteen Research Fellowships commencing in 2010.

1) Early Career Researcher Fellowship: Up to five ECR Fellowships for suitably qualified applicants who received their PhD within the last five years

2) Senior Research Fellowship: Up to eight SR Fellowships for suitably qualified applicants with more than five years post-doctoral experience.

Fellowships are for a period of 4 years, with the possibility of renewal. Preference will be given to applicants who are able to make significant contributions to the following targeted areas of research activity:

- Social Infrastructure and Built Environment
- Creativity and Communication
- Digital Ecosystems
- Energy Markets
- Mineral Chemistry
- Environmental Science/Engineering
- Chronic Disease
- Population Health
- Emerging Sciences

The Fellowships are not restricted to Australian citizens. However, applicants must have completed a research doctoral degree.

Full Guidelines and Application Form are available from our website at: http://research.curtin.edu.au/guides/fellowships.cfm

Applications close at Close of Business 11th September 2009.

### TIP OF THE WEEK

**Publications - Author Affiliation**

It is important to ensure that all affiliations are recorded on your publications. For example, if you hold a paid position elsewhere, but an adjunct position at Curtin then make sure that both your employee and Curtin is listed on the publication as affiliated organisations. This will allow Curtin to claim your publication under ERA and DEEWR funding. Similarly, if you conducted research at another institution, but by publishing stage had joined Curtin, ensure that both organisations are listed. It is good practice to send a copy of the publication to your old institution.
